Reference for Philippe Manuceau-Graziani

I, Pierre Lemarie, former Vice President and Treasurer of the Tennis Club Phocéen (Marseille, France) from 1999 to 2012, certifies that Mr. Philippe Manuceau directed and managed our Tennis School program and training camps for our club for more than 15 years. During those years, I was thankful and appreciative of his personality and the high quality of his work.

His experience at the University Level, (Master 2, Faculté des sciences du sport, Marseille, France) complete skills of Head Coach. At my request, Philippe created an innovative educational program for our tennis camp that he successfully implemented and managed. The program focused on providing a personalized progress report for each child during the year. Additionally, he invested himself in the growth and development of the club through the creation of sporting events. Philippe was responsible for the marketing, communication and sponsoring aspects of the club and ensured the success of each event. One of those events has become an institution in Marseille's tennis clubs, copied to this day by others.

During the years spent within our club, Philippe knew how to create a club spirit around values of sharing and teamwork. His enthusiasm and his sense of humor on the court complemented an enormous amount of rigor in his work. Highly appreciated by his students and fellow coaches whom he mentored, Philippe is clearly missed and leaves a great void.

Sincerely,

Pierre LEMARIE
